Public Input: None

Facilities Update: Don shared that the solar part of construction is still open. There will be a walk through on Thursday April 27th for contractors to bid the project.

Annual Update of LCAP Goals:

- The LCAP goals were reviewed and updated. Goals will be condensed for the 2017-2020 LCAP. Some Actions will be modified as noted in the annual update
- The Data Dashboard was reviewed and specific needs were discussed. The Native American population shows a need in all areas. Generally there was academic growth in all grade levels though some sub groups showed a decrease in academic performance. The suspension rate is improving though the Native American subgroup showed an increase in suspension rates. Strategies for addressing identified needs will be discussed in the next DAC meeting.

Surveys for LCAP:

- The process for local surveys was reviewed. Surveys for Priority 2 have been completed by staff and will be shared with the board during the May 4, 2017 board meeting. Priority 1 local measures were reviewed and will also be shared during the May4, 2017 BOE meeting. Parent survey results have been limited. Principals will figure out ways to get more survey results back from parents. This information will be used for the LCAP annual update.
