Annual Update of LCAP Goals- Differentiated Assistance - Data Dashboard: Annual update starts now because data is coming in. Review of School Dashboard website. Explanation of the results as shown online. Chronic absenteeism continues to be an issue especially in the Native population.

LCAP-7 Goals-review and evaluate.

- - Facilities Projects ...some detail issues at elementary school, notice of completion filed. Demolition of 8,9,10 happening-bids will come in to rebuild 10 soon. Possibility that money from the state may become available in the next year. Culinary Arts building project bid came in way too high to be feasible. May be possible to redesign the project to make it affordable. Project needs to achieve the same goals in order to be eligible for the same funding, but it can be changed.

-Parent Involvement Policies –Site Council did their annual parent involvement policy review as required by the LCAP.

Safety Plan-New State laws require that safety plans be reviewed and approved by March 1st annually. Joanie shared the necessary components for our safety plan and will bring a revised Safety Plan to our next meeting.

Regular Safety Meeting-Accident report-several minor injuries during recess and sports. Concern about gopher holes in the field, pools of water on the asphalt.

Other –Reclassification of ELL Students: New guidelines from State. Joanie shared some data about declining enrollment. Decline of about 30% in the last 10 years.

-REPORTS -Booster Club –no report

Budget –Nothing huge to report.

-Cahto Tribe –Mary talked a lot about attendance and the difficulty in getting kids from the reservation to school.

Student Rep –no rep

-SSC Reports-Single Plan (LEMS), Single Plan, WASC, Board policies (HS)

-Meeting dates • March 20th – Safety • April 10th • May 15th - Safety
